

RESOLUTION

A RESOLUTION TO ESTABLISH SECONDARY CAREER AND TECHNICAL EDUCATION PROGRAMS FOR FAUQUIER COUNTY PUBLIC SCHOOLS

WHEREAS, the Fauquier County School Board seeks to establish Career and Technical Education Programs accessible to all Fauquier County secondary students; and

WHEREAS, the Fauquier County School Board seeks to provide secondary Career and Technical Education Programs in a fiscally sound manner; and

WHEREAS, the Fauquier County School Board seeks to provide specific Career and Technical Education Programs at all secondary schools; and

WHEREAS, the Fauquier County School Board seeks to provide exploratory Career and Technical Education Programs at all secondary schools; and

WHEREAS, the Fauquier County School Board is committed to actively exploring partnerships for Career and Technical Education with Lord Fairfax Community College and other entities; now, therefore, be it

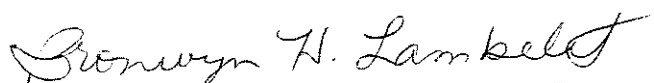

RESOLVED by the Fauquier County School Board this 25th day of February, 2004 that all secondary schools in Fauquier County will provide, based upon sufficient enrollments, Career and Technical Education Programs in agriscience, business/information technology education, marketing education, technology education, drafting, family and consumer science, graphic imaging, cosmetology, and any other program that is adopted for inclusion at all secondary schools, and be it

RESOLVED FURTHER, that the School Administration will bring forward recommendations to begin the process in the 2003-2004 School Year to provide the above referenced Career and Technical Education Programs at each secondary school as interest, appropriate staffing and space are available; and, be it

RESOLVED FURTHER, the Fauquier County Public Schools will create a Career Technical Institute at a central location to provide to all secondary students, based upon sufficient enrollment, fire science, automotive technology (automotive repair and auto body), building technologies (carpentry, electrical, plumbing, mechanical, masonry), medical sciences (nurses aide, licensed practical nursing, phlebotomy) and any program approved by the School Board for centralization, and, be it

RESOLVED FURTHER, that the School Administration will review the School within a School Administrative Concept and bring forward information regarding this concept as it relates to a Career Technical Institute, and, be it

RESOLVED FINALLY, that the Fauquier County School Board adopts these Career and Technical Education Programs to ensure that all of our secondary school students have access to a wide variety of courses to prepare them for career and technical fields as well as post-secondary education in an environment that is conducive to student achievement.

Bronwyn H. Lambelet
Chairman, Fauquier County School Board
